## PRESIDENT'S MESSAGE

Hello Everyone,

Soon we will have shorter days, cooler weather and leaves changing colors in the hills, what a wonderful time of year.

I have been hearing about many great finds from our club members, some old silver coins, civil war buttons, old toy guns, and some great tokens. These successes are fun to hear about, it's wonderful knowing that our history can be viewed and appreciated by members of our club and not confined forever in darkness underground.

I would like to send out a Big **THANK YOU** to all who attended, brought food, and help set up/take down the club picnic on Aug 27<sup>th</sup>. What a great time was had by all! Besides all the wonderful food, friendships, fun was the great success of our first club picnic medal-detecting hunt for the young and older. Watching the excitement on the children's faces as they found a tag to be turned in for a wonderful token prize was a big highlight for many others and myself that evening.

When the adults started the smiles were just as big. I was greatly impressed by the way that those who

brought their detectors shared with those who did not have theirs or had not detected before.... This is what it's all about, Thanks again everyone for a very memorable evening of food, friends and fun.

This month's speaker will be Mr. Doug Springmeyer, who is the president of "Utah Association of Geocachers". He will be informing us about Geocaching that started back in May 2000. Geocoins were first released in Sept. 2001. He will explain how their group strives to advance the sport of Geocaching throughout the state of Utah. This will be very fun and informative evening.

Thanks everyone for all your support for this years great club officers and myself. They work very hard for you and the continued success of this wonderful club.

I look forward to seeing all of you at the meeting this month, keep

searching for  
that gold coin  
remember it's  
just around the  
corner.
